How to enter the Erasmus MC

We strongly advise you to travel by public transport.
See another map on our website for all public transport stops around the Erasmus MC.

The Medical Faculty is located in the middle of the Erasmus MC.
It is not easy to enter directly.
You should go to the entrance by Sophia Children's Hospital (see arrow on the picture on the left). This entrance is situated next to a big, black building: the Ronald McDonald House (see picture on the right).
Do NOT enter the Erasmus MC through the main entrance by the Dijkzigt Hospital. You WILL lose your way trying to walk to the Medical Faculty from there.

Stairs leading up to Sophia and towards the entrance of the Medical Faculty. On the left (big, black building) the Ronald McDonald House. Behind this building is Sophia's Children's Hospital.

Once you enter the Erasmus MC

Turn right at the top of the stairs and head in the direction of the Medical Faculty. Walk through the large hallway until you reach the end. In front of you, you will see two white stairs.
The first staircae will lead up to the **Educational Center (Onderwijscentrum)**. Once you enter the Educational Center, you can find your way with the map of the Educational Center on our website.
The second staircase will lead you to the second floor where you can take another stairs up to the **Medical Faculty** on the 3rd floor. You can now use the Faculty map on our website to find your exact location.
