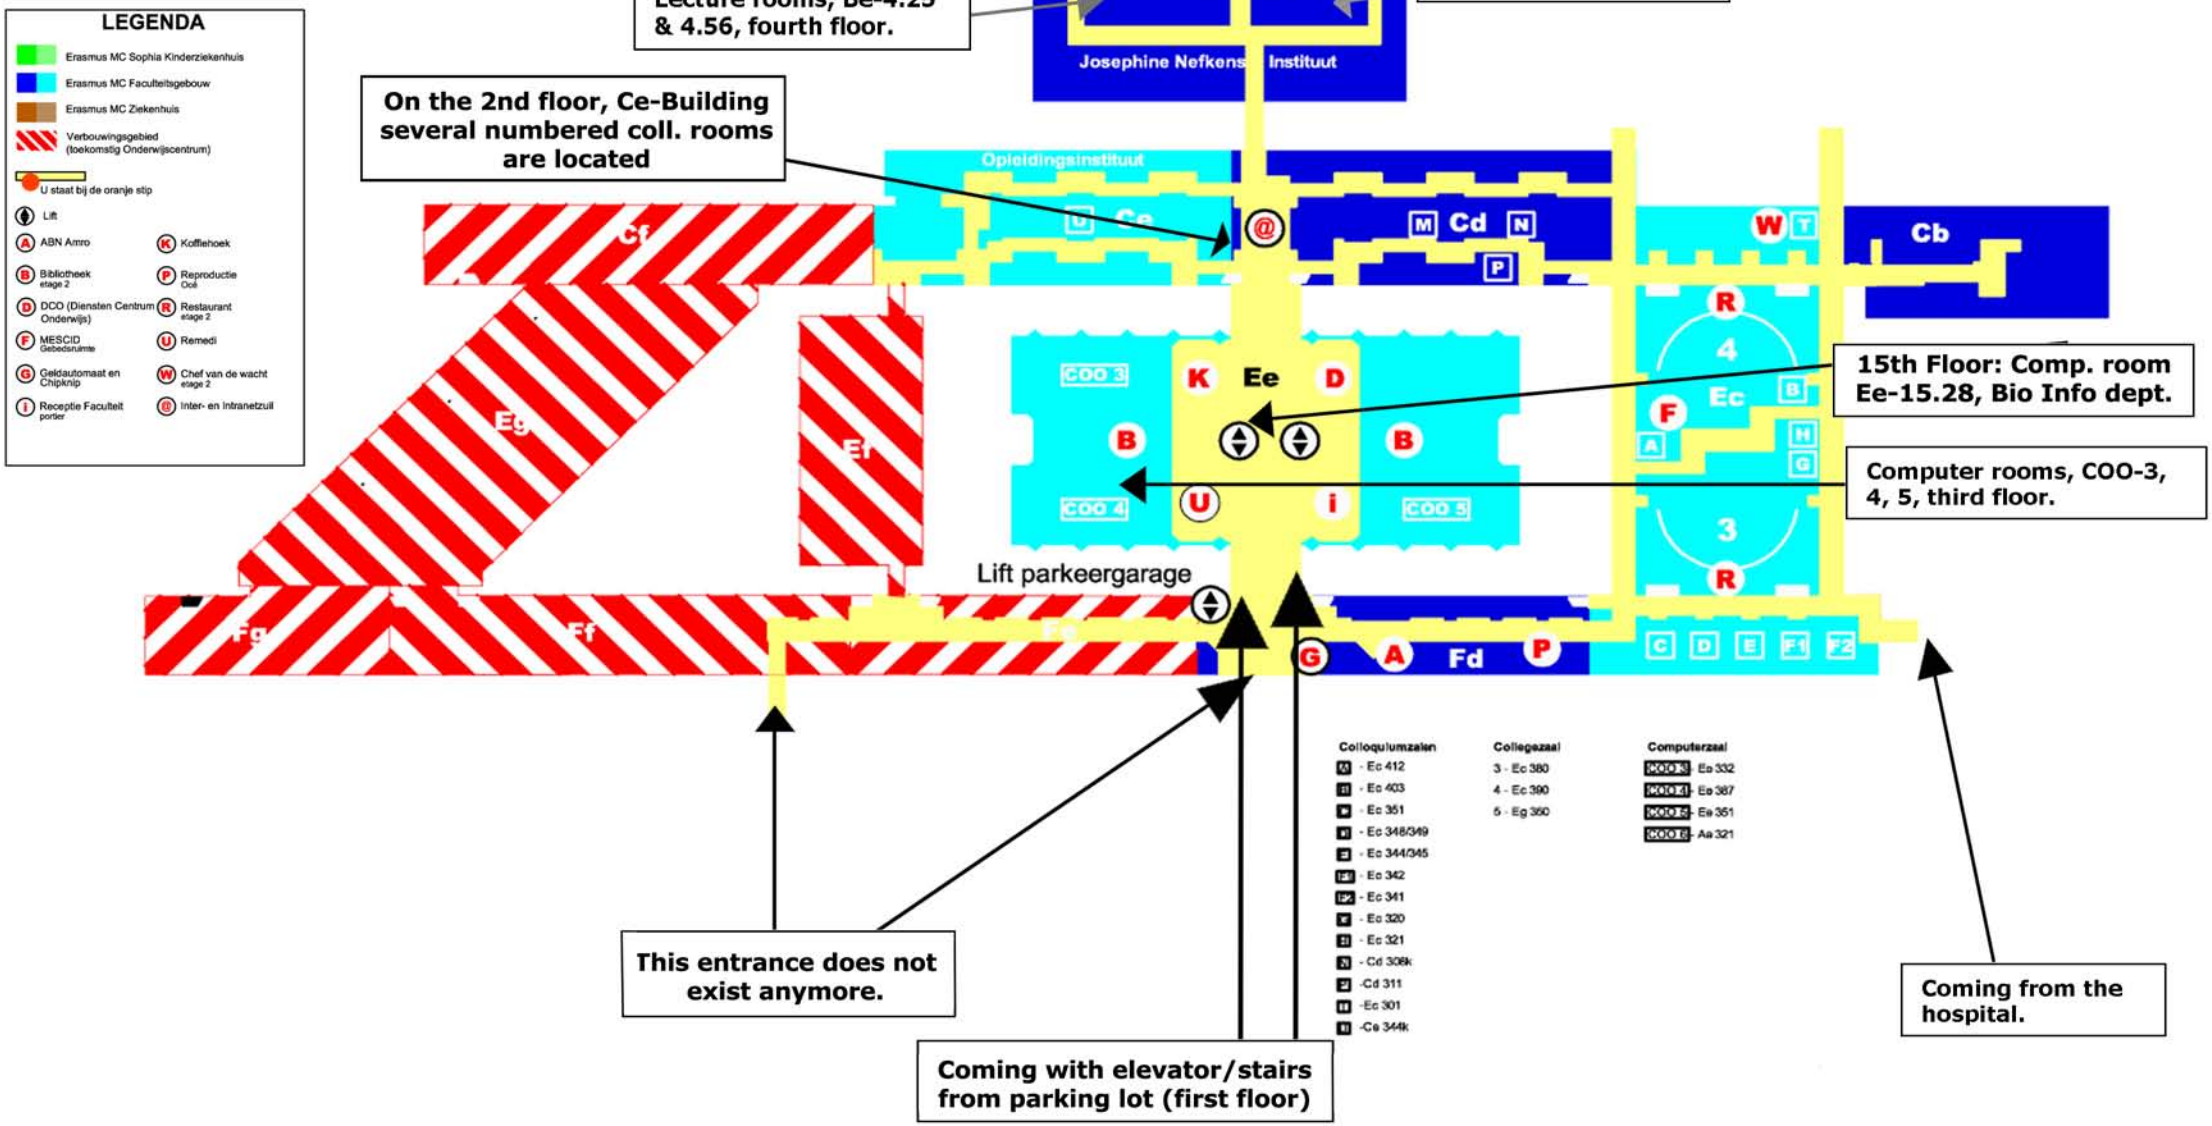
Erasmus MC – Faculty Building
Third Floor

Dr. Molewaterplein 50
3015 GE Rotterdam
The Netherlands



There is a lot of construction going on at the Erasmus Medical Center. Therefore it is not possible to enter the Medical Faculty Building directly. The entrance is through the parking lot, 1st floor, accessible via the staircase outside the Sophia's Children's Hospital. Follow the signs or use another map from our website. But, whatever you do, do not attempt to enter through the main entrance of the Hospital ('s Gravendwijkwal 230).
